- Transform Your Working Environment

8-Week Online Course

3 Credit Hours

Provided by Lake Forest Graduate School of Management

"This class gave me tools that I can take with me as I begin my career in the real world and participate in the pharmacy community." - RFU Student

Two hours apply to the required elective credit for the RFU College of Pharmacy. This course will not interfere with RFU mid-term or finals schedule. Financial aid available upon request.

Lake Forest Business Leader Faculty®

Lake Forest Graduate School of Management facilitators are business leaders linked to the latest thinking and industry trends. LFGSM faculty offer a passion for teaching, years of real-world experience, practical perspectives, and industry insights to their students. They understand what businesses need today and teach leadership skills that are immediately useful today and far into the future.
