

Rosalind Franklin University of Medicine and Science

#### HEERF III (ARP) Quarterly Report Summary

All RFU students, including recent graduates, were notified of the availability of the most recent round of HEERF III (ARP) funds on the week of September 1, 2021. This communication included information regarding how to apply and how to appeal for students who might have experienced loss of employment, if applicable.

Our follow up communications to all students was issued as planned on September 21, 2021, we have since received approximately 613 applications as of October 5, 2021. Of these, we have currently made 554 awards to students as emergency grants and are currently performing reviews for 62 additional students who have submitted information indicating they may be eligible for a professional judgment pertaining to documentable loss of employment between March 13, 2020 and present. The total amount of student emergency grants awarded to date is \$604,000.

An allocation of approximately \$40,000 of the HEERF III Institutional Portion will be set aside to provide students who had documentable loss of employment with emergency grant funds rather than additional loan availability.

Our current remaining balance of HEERF III (ARP) Student Portion: \$135,945

The Office of Financial Services will continue to send reminders to students as scheduled and the RFU HEERF III Emergency Fund Application will remain open until all HEERF funds have been awarded.
